

Customer Relationship *Covenant*

*We measure 'success' by the way
we touch the lives of people.*

In every interaction, our customers are entitled to:

- Proactive and insightful communication.
 - Easy access to competent individuals.
 - People who genuinely care about our customer's needs and the quality of their experience with us.
 - People who are empowered to promptly meet their needs and take ownership of the situation.
-

*By living this **covenant** we seek to exceed their
expectations and earn their trust.*
